

The Solar Energy Association of Oregon (SEAO) offers the Speakers' Bureau list as a resource to assist groups and individuals to find professional speakers who are willing to give presentations on solar / renewable energy, green building, and energy conservation topics. The professionals listed have generously offered their services to public audiences around Oregon as speakers. The Speakers' Bureau includes their contact information, topics they are interested in presenting, and preferred region of Oregon. Please contact these speakers to discuss availability, logistics, and details. If you need assistance choosing a speaker please contact SEAO at (503) 231-5662 or info@solaror.org.

Note: The Speakers' Bureau is not an endorsement by the Solar Energy Association of Oregon.

The Solar Energy Association of Oregon is a non profit organization providing education and community outreach to encourage Oregonians to choose solar energy.

Audience Code:

Y= Young Audiences / K-12 Students

A = Adult

F= Facility Managers

Area Code

P = Portland Area +/- 60 miles

E = Eugene Area +/- 60 miles

C = Central Oregon

J = Eastern Oregon

S = Southern Oregon

N = North/Central Oregon Coast

F = South/Central Oregon Coast

W = Southwest Washington
